

**NORTH OF ENGLAND ART CLUB**  
**GUIDELINES FOR THE CARE OF MODELS**

All members' attention is drawn to this statement of safeguarding which the Club has adopted as its duty of care for any model which the Club engages to take part in life and portrait sessions.

Respect the model at all times

Do not take photographs of a nude or semi - nude model

If you wish to take photographs of a clothed model please ask them first

Do not touch the model

Do not invade the model's personal space

Do not pass comment on the model or his/her appearance

Make the model as comfortable as possible with the room and class participants

Temperature should be suitable for the model

Respect the right of models to refuse any uncomfortable or undignified poses

Models should know they can take toilet breaks when they wish

Non-participating persons are not allowed in the room

A model needs at least 10 minutes break in each hour

All models' personal details are confidential
